

Master's Message

Filling in for WM

By Mike Cornell JW

Greetings from the south to all my brothers. This is my first attempt at putting together a long overdue Trestle Board for our lodge. I realize it's a bit rough looking but "ya gotta start somewhere!" I hope to have more of an idea what I would like this to look like in the near future. If any of the brethren have ideas, advice or heck a notion to contribute PLEASE reachout to me by email by the 4th tuesday of each month and I'll see what I can do. Bro. Nate Butts has been gracious enough to help me with this template and I'll give it the old college try. I look forward to seeing all those brothers that can come out to lodge and remember to RSVP on OLP so I can get a head count to order dinners. Thanks for your time and hope to see you at lodge!

Meridian Line

Where were you first prepared to be a Mason? What does that mean to you? I know that when I signed my petition and handed it back to a brother; I had so many questions. But I knew this...the men that I knew that were freemason were different. They had a character about them that I admired. I hope that I became that inspiration to man that he may ask me that question..."What us a Freemason?" Do you strive for that too?

Remember that the very FIRST impression of the craft that we can give to a newly initiated brother is what he experiences in his first degree. I am by no means perfect but I strive for excellence in my performance of "ritual

work.” Now hit those books and endeavor to give our very best in every degree, more especially the Entered Apprentice.

Have an idea for an article in the Trestleboard? All articles need to be submitted to the Worshipful Master by the 10th of the month for the next month's TB. For example, articles for July need to be submitted by June 10th. This gives us time to edit, lay out, proof, print and mail, so you get this wonderful communication tool at the beginning of each month. This is your publication, so take advantage.
